A Personal Invitation from the Consignors

We extend a cordial invitation to those who are interested in Shorthorn Cattle to attend our annual Show and Sale on March 1, 1943 at the Adel Sale Pavilion, Adel, Iowa. The offering contains 50 outstanding bulls and 19 females of the best blood lines.

Each year the Iowa Shorthorn Breeders have consigned to the Iowa Royal Show and Sale bulls and females that have shown a decided improvement in modern type and quality over the preceding year, with the result we can say in all sincerity the 1943 offering surpasses by a wide margin all other State Sales. You will note in looking over the catalog all of the bulls and females are either sired by champion bulls or bulls that have sired champions and established national reputations as the best sires of the breed.

Iowa leads all other States in Shorthorn production, from this source of supply only the best cattle are accepted for the Royal Show and Sale. Buyers are aware of this reputation and the annual Sales have furnished bulls and females to customers all over the continent from Virginia to California, they are reproducing top individuals of the breed. If you are looking for the best, we urge you to attend this year's sale. You will find the kind of cattle you want at the price you wish to pay. You will not be able to buy better Shorthorns anywhere.

DOUGLAS DESIGN 2132112

The mother of this bull is the dam of the heifer that won the Grand Champion Club Heifer at the 1938 Iowa State Fair. She is also the dam of the heifer that topped the females at the Iowa State Sale in 1941. He is smooth, compact, with an outstanding head. We think he is one of the best Browndale Douglas bulls we have sold.

HELFRED METEOR 2107724

We are extremely proud to offer this outstanding son of Sunray, he is the kind that will speak for himself. I honestly think he is the most promising herd bull prospect to be sold in any sale this year. Although he makes a nice impressive picture you will find him even better than he looks. Few if any cows have more thickness and shorter legs than his rich dark red dam.

GOLDFINDER ORDENS 2131103

Although this calf is young he has much to recommend him. Straight sturdy legs are set at each corner of his blocky body, and he is especially smooth. His pedigree is of the best. His full brother was reserve champion steer at Marion county fair and reserve champion steer at St. Joseph fat stock show in 1942. We predict he will make an outstanding sire.

MILLORAY V. 2127865

Is probably the best bull we have ever produced. We believe that he is the outstanding show and breeding bull prospect to sell this year. He is extremely short-legged, short coupled, deep, and has an abundance of bone and substance. He has the head of a great sire, and a glance at his breeding eliminates any doubt of his license to be good. His grandam, Imp. Proud Violet is the dam of that great short-legged bull used in the Edellyn herd, Matchless Leader. His dam, Edellyn Violet 5th, while but a young cow, is making a grand record in our herd.

Combines the blood of those two famous sires, Supreme Goldfinder and Sultan Leader. Here is a grand colored, low down, wide, thick stylish fellow that has grand character and bone. Good head, and depth of body, with as perfect a set of legs as anyone would wish to find on a bull. Study the pedigree then of the calf and I am sure you will be convinced he is a great prospect.
